Littmann Stethoscope Warranty Information

The day you bought your Littmann stethoscope establishes its warranty start date. This date can be verified on your original purchase receipt. If you do not have your receipt, we will use the date it was manufactured as the warranty start date.

If a material or manufacturing defect occurs during the warranty period, we will repair your Littmann stethoscope free of charge, except in cases of obvious abuse or accidental damage.

Has the warranty expired? No worries. We offer affordable Littmann stethoscope repairs that include replacing the tubing, eartubes, diaphragm, rim, nonchill sleeves and eartips.
